

ABCs of North Carolina Project

You will create an ABC book all about North Carolina. You will choose 26 important details about North Carolina- each one beginning with a different letter of the alphabet. Each page will have a hand drawn picture, a paragraph written in cursive handwriting and the letter it represents. You may be creative and make the booklet as colorful as you want.

***You must include facts from the following:**

State Symbols (at least 5)

NC landmarks (at least 3)

NC Government (at least 2)

Famous North Carolinians (at least 5)

NC Lighthouses (at least 3)

Fascinating Facts

***Your cover must be the North Carolina flag (hand drawn).**

1st : Make a list of your ABCs and plan out each letter.

2nd : Search for fascinating facts or famous people that may begin with some of those harder letters.

3rd : Research facts about each letter. You must write a cursive paragraph to go with each picture.

4th : You must draw and color your own pictures. I can print out some famous people pictures if they are too hard to draw, but everything else must be hand-drawn. TRACE if you can.

I want to see your ABC list before you begin your drawings/writings.
