

The da Vinci Bridge: A Self Supporting Structure

Step by Step Color Coded Guide

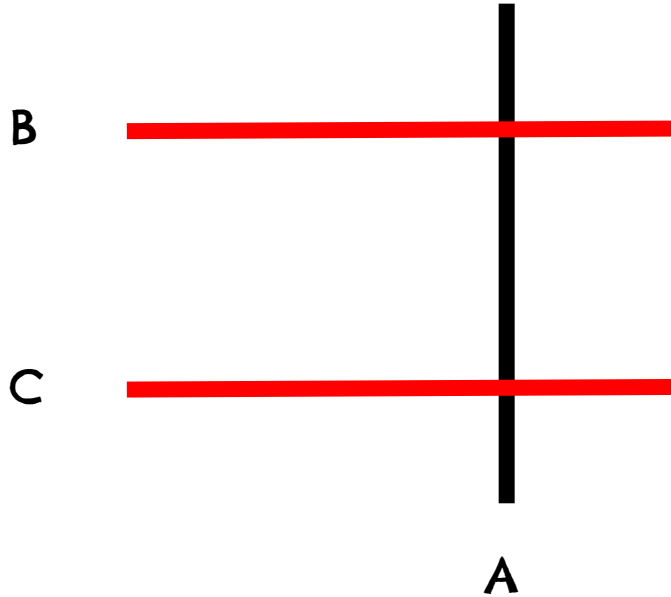

www.STEAMPoweredFamily.com

STEP 1: Lay one chopstick on the table in line with you so if you look down it looks like a small letter "L"

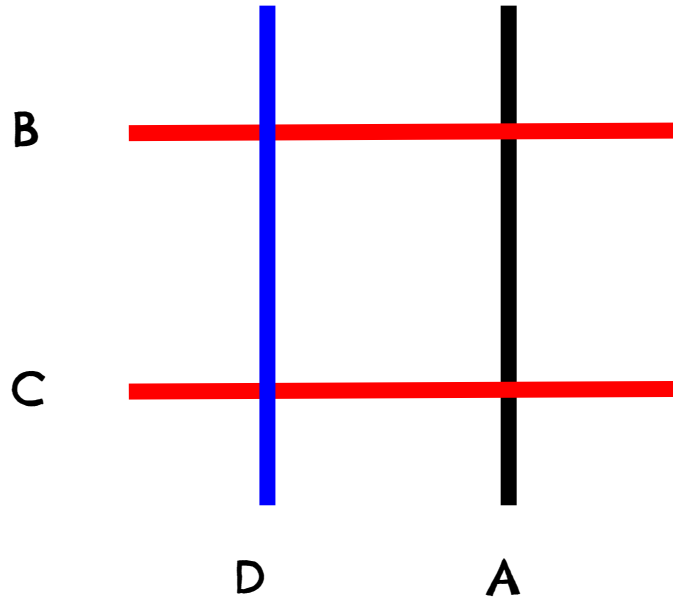

A

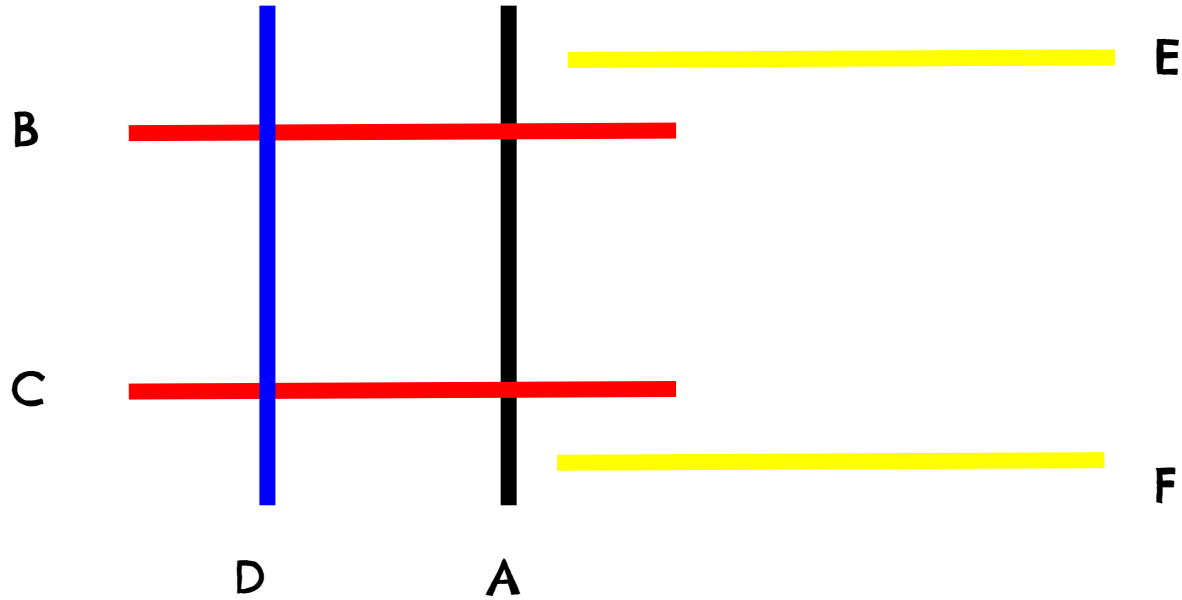

STEP 2: Place two chopsticks parallel to each other but perpendicular to the first chopstick and resting across it with about an inch of the two chopsticks over the first.

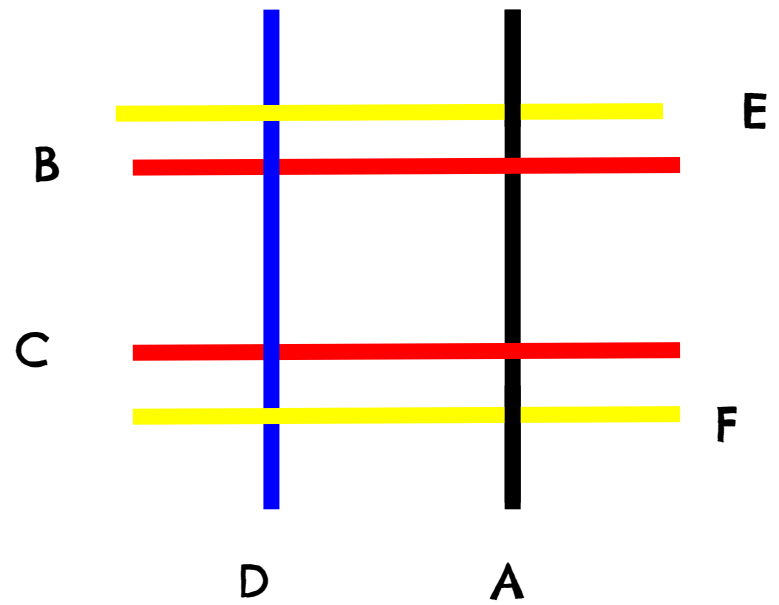

STEP 3: Place a fourth chopstick “D” over the two that you just placed. The structure should look similar to a hashtag symbol.

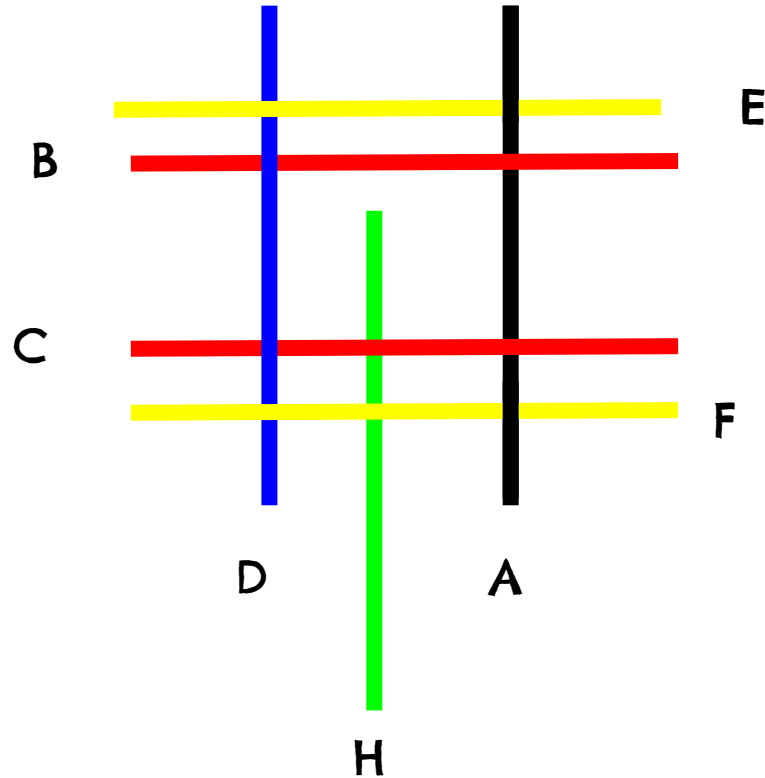

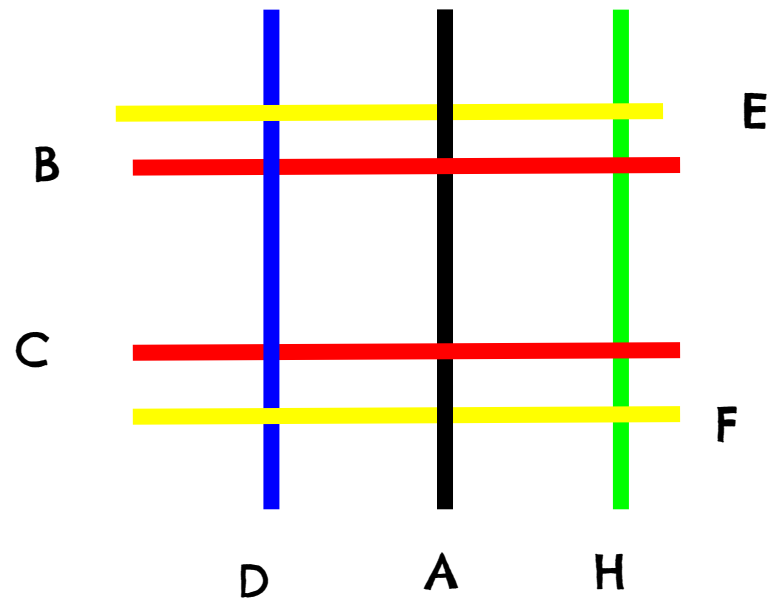

Step 4: Slide E & F under A and over D
parallel with B & C

Step 5: Slide H in under everything else parallel with A & D and then slide it under a toward E & F

Step 6: Slide I & J parallel to B,C,E & F
Under H but over A
